

Wetlands Across America *in Maine!*

Educator Workshops

WOW! The Wonders of Wetlands

Get an introduction to wetland ecology through a study of the three parameters of wetlands (vegetation, soils, & hydrology) as well as wetland functions and values by utilizing K-12 hands-on, inquiry-based, cross-curricular activities.

WOW! Facilitator

Continue the study of wetlands, practice additional activities not covered during WOW!, and learn the processes and protocols of the nationwide WOW! Facilitator network. Participants leave with skills and materials to lead WOW! workshops. (WOW! is a pre-requisite)

newly revised & updated POW! The Planning of Wetlands

Head through the process for creating, restoring or enhancing a wetland on school grounds, or within the community. POW! incorporates activities that allow students to fully participate in designing, preparing, and monitoring a schoolyard wetland, and utilizing it as an outdoor classroom.

Course Information:

POW! April 8, 2010

\$50 includes POW! curriculum and additional course materials

WOW! April 9th, 2010

\$45 includes WOW! curriculum and additional course materials

WOW! Facilitator

April 10th, 2010
